Re: FTC's proposed Business Opportunity Ruling

Date: July 14, 2006

I have been a Quixtar affiliated Independent Business Owner for 7 years. I make a few hundred dollars a month in bonuses plus income from retail customers. This supplements my income in an economy where costs rise and pay does not.

I would like to submit the following comment for your consideration in regard to your proposed ruling on business opportunities (CFR Citation: 16 CFR Part 437).

Comment: Eliminate the requirement to provide the names, addresses, and phone numbers of 10 other IBO's in the area seven days prior to registering because it would be impossible for me because I don't have 10 IBO's in my area. I'm from a small village in a rural parish (county). Most of my IBO's are 75 miles or more away from me. Furthermore, this is an infringement on their rights to privacy. I would not like to be taken to court for releasing this information.

Thank you.

Sincerely, Glenn
